10 THINGS TO FOCUS ON AS PHIKEIA EDUCATOR:

Meet with the Phikeia education adviser each semester to review expectations of the position and utilization of the **minimum standards** of the Phikeia education program such as the standardized **induction, big brother, and initiation programs**, and track the completion of the required three Phikeia Education **PDT U Modules**.
2. Review the **Phikeia Educator Facilitators Guide** and discuss how the chapter's Phikeia education process effectively utilizes the outlined programs provided.
3. Review and assist in the development of the chapter's judicial board process in the event any high risk incidents arise.
4. Discuss and establish expectations during a chapter meeting around Phi Delta Theta's **risk management policy**, and zero-tolerance policy for hazing.
5. Facilitate all Phikeia meetings and continually promote the Fraternity's stance on **risk management**, zero-tolerance policy for hazing, and the impact of Phi Delta Theta throughout life.
6. Provide a weekly Phikeia education progress report (during new member education) to the chapter advisory board.
7. Assist the chapter in budgeting in a timely manner for Phikeia and initiation fees.
