SCHOLARSHIP CHAIRMAN

BASIC FUNCTION:

The responsibility of the scholarship chairman is to oversee the chapter's operations in fulfilling its quest to live up to, and exceed in the second principle of the Fraternity: Sound Learning. This officer assists the chapter in establishing a culture aimed at achieving the academic success of the individual member and chapter. The scholarship chairman works directly with the CAB academic adviser.

10 THINGS TO FOCUS ON AS SCHOLARSHIP CHAIRMAN:

1. Meet with the CAB academic adviser each semester to review expectations of the position and set academic goals for the chapter.
2. Review the scholarship section of the bylaws and work to align member and Phikeia GPA standards with the Fraternity's expectation that chapters maintain a cumulative 2.75 or above GPA.
3. Develop the chapter's scholarship program and consider using the Fraternity's **Three-Strike Scholarship Program**.
4. Implement a chapter academic competition that pairs members and Phikeias together to obtain better GPAs and rewards or incentivizes those who perform well or improve academically.
5. Schedule a time-management seminar for the chapter's members and Phikeias.
6. Gather and follow-up on members' **individual academic goal sheets** each semester.
7. Collect **mid-term grade reports** for all members and Phikeias. Once collected **calculate the chapter's mid-term grade point average** and compare to semester goals.
8. Promote the usage of campus resources such as writing centers, tutors, disability support services, and peer study groups for those whose mid-term reports reflect the need of additional assistance.
9. Once provided by the university, review the chapter's semesterly academic report and assist in the execution of any scholarship program bylaws that the chapter needs to hold a member accountable to.
10. Promote a culture of learning beyond the classroom by encouraging student involvement, internships, and other various professional development opportunities.
