## Chairman's Message

March 1, 2025

Dear Brothers,

2024 marked the 50<sup>th</sup> Anniversary of the establishment of The Canadian Phi Delta Theta Scholarship Foundation.

Since 1974, the Canadian Foundation has successfully fulfilled its mandate, as a Canada Revenue Agency Registered Charity, to recognize Education & Scholarship, promote Personal Development & Leadership, and Develop and Improve the Foundations for Personal Growth for undergraduates attending leading Canadian universities.

Over the past half century, the Canadian Foundation has received over 3,300 individual contributions and raised over \$1.1 million from alumni, undergraduates, and friends of Phi Delta Theta in Canada. And, since our Founding, we have disbursed \$474,000 in academic and leadership development awards to 384 male and female undergraduates at 14 universities across Canada where Phi Delta Theta has a chapter. Since 2013 we have defrayed over \$25,000 in travel expenses for undergraduates to attend leadership development conferences.

All our activities, from raising funds, to reviewing award applications, to daily administration, have been conducted by a dedicated volunteer Board of Directors. While the majority of funds raised each year are disbursed in awards, the Canadian Foundation is also building its Capital Fund which stands at over \$666,000. At year-end 2024 the Foundation's total assets were \$746,000, an increase of over 13% from the previous year.

In this, the 50<sup>th</sup> year of the Canadian Foundation, we are thankful to the hundreds of donors and are proud to recognize the nearly 400 award recipients who have been impacted by our efforts. Over the next 50 years, we intend to build on these successes and continue to fulfill our mandate of recognizing and encouraging outstanding academic and leadership achievement among university undergraduates across Canada.

Yours in the Bond,

# Financial Activity – 2024

For the Period January 1, 2024 – December 31, 2024

Revenue (Donations & Grants)	\$70,558
<i>Disbursements</i>	
Awards	\$38,500
Kleberg Travel Grants	\$3,614
Administrative Expenses	\$3,259
Summer Intern (offset by grants)	\$10,255
<i>Total Disbursements</i>	\$55,628
Transfer to Capital Funds	\$9,000

The Foundation’s administrative expenses are less than 2.25% per annum, which is far less than the average of 25-30% for Canadian charities. This demonstrates that almost all the funds raised are used for charitable expenditures (awards and grants).

## 2024 Charitable Disbursements

- Leadership Awards 52%
- Academic Awards 32%
- Undergraduate Achievement Scholarships 8%
- Kleberg Leadership Conference Travel Reimbursement 8%

## Capital Funds

The Canadian Foundation’s Capital Fund accounts are being managed by RBC Capital Markets with an asset mix comprised of Cash & Equivalents, Fixed Income, Equity, and Alternative investments. The Funds are managed subject to the Foundation’s Investment Policy.

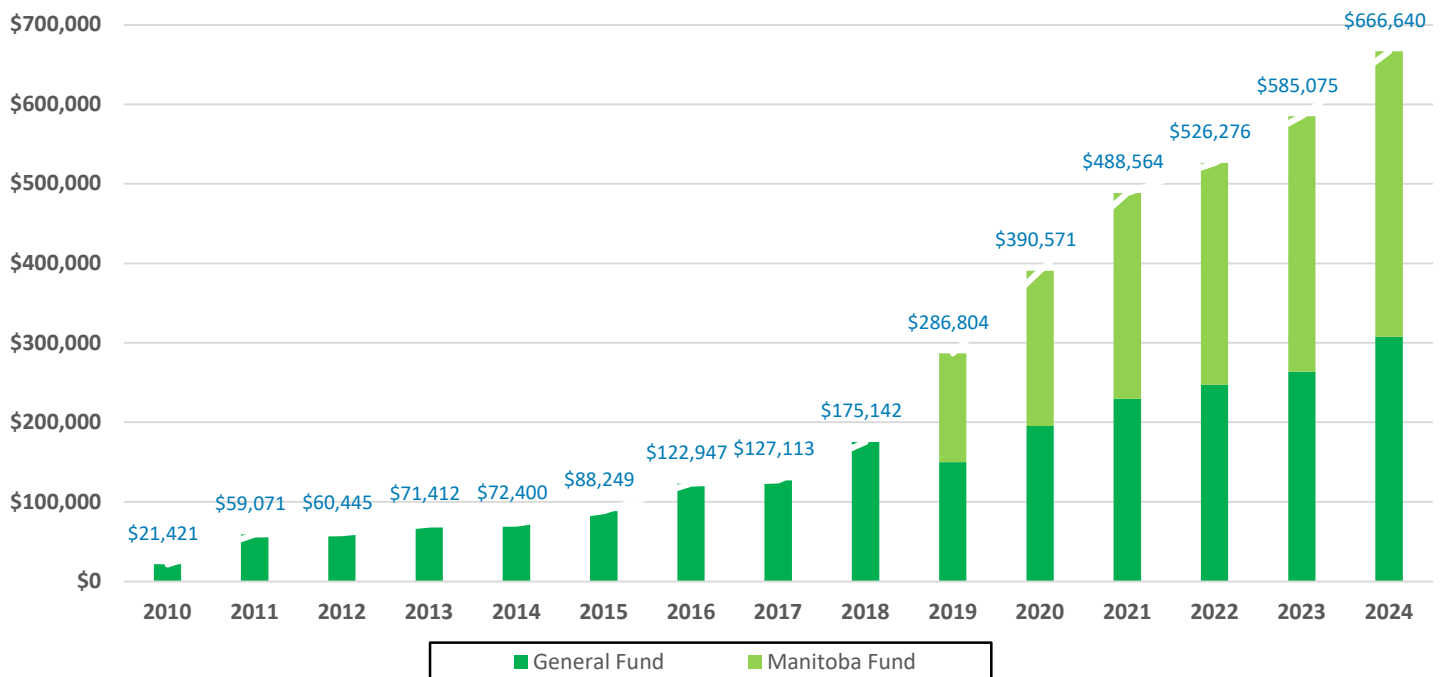

The **General Fund** was established in 2010, and it currently stands at \$308,000 (realizing a 16% growth rate in 2024).

In September 2018, the **Manitoba Alpha Leadership Fund** was launched as a *Designated Fund* under the auspices of the Canadian Foundation. The Fund was envisioned as an “endowed fund” wherein the initial amount contributed (objective of \$250,000) was intended to generate sufficient investment income to provide annual awards to be granted to undergraduates attending the University of Manitoba who demonstrate outstanding leadership skills and potential.

Since the Manitoba Fund was established in 2018, over \$300,000 has been raised by a dedicated core of Manitoba Alpha alumni. Since its inception, the Fund has grown to \$360,000. The first Manitoba Alpha Leadership Award was granted by the Canadian Foundation in 2020. Over the Fund’s first five years, 15 awards have been granted totaling \$27,000.

In 2024 the combined General and Manitoba Capital Funds grew by \$81,565 (+13.9%).

## Alumni Records Updating Initiative

A key initiative during 2024 was cleaning up the contact information for Canadian Phi Delta Theta members. The starting point was information provided by GHQ in April 2024 for the 9,120 initiated Canadian Phi Delt members since the fraternity was established in Canada in 1902.

During the next four months, the Canadian Foundation employed a summer intern who worked to revise the GHQ data, with a focus on:

- Validating existing e-mail addresses
- Obtaining correct contact information for past award winners
- Starting to add LinkedIn contact information for living members

From September onwards, the focus shifted to loading the GHQ corrected information into the Foundation's *Canada Helps Donor Management System (DMS)* - which is our primary tool to manage the data for Canadian Phi Delta Theta members - including alumni contact information and their donation / award history. This project was completed at the end of 2024. The Foundation acknowledges Neil Park for his tireless efforts to keep our alumni database current.

- LinkedIn addresses were researched with over 1,900 new LI profile addresses added to DMS
- Over 700 records were updated to reflect older brothers who had passed into the Chapter Grand
- Updated information was shared with GHQ to keep their records coordinated
- A process has now been established between the Canadian Foundation and GHQ to keep the data in sync

Alumni can update their contact info by visiting <https://phideltatheta.org/update-my-info/>

## Undergraduate Achievement Scholarship (UAS)

To mark the 50<sup>th</sup> anniversary of the Canadian Foundation's establishment in 1974, the Board inaugurated the UAS in 2024. These new scholarships will help strengthen the Canadian Foundation's mandate of service to university undergraduates and introduce them to organizations that can encourage them to become future leaders on campus and cultivate service to their community.

### UAS Eligibility:

- Any individual – male or female – who recently graduated from high school or community college and is entering a university where Phi Delta Theta has a Canadian chapter in September, or
- Any individual – male or female – who has completed their first year of university where PDT has a Canadian chapter and is a returning student in September.
- Members of Phi Delta Theta are **not** eligible to apply for a UAS.

### Alumni encouraged to nominate individuals for a UAS:

As the Canadian Foundation embarks on its next 50 years of promoting academic excellence and cultivating leadership skills, we invite alumni to celebrate this milestone by [submitting the name\(s\)](#) of eligible individuals for a UAS, prior to the nomination deadline of **June 30th**.

Even if they don't know someone who might be eligible, alumni can **help support the UAS by making a single or recurring tax-deductible donation to the Canadian Foundation** by going to our website and [donate now](#). One can designate their donation to the UAS Fund when making your gift.

The Foundation is looking for individuals who:

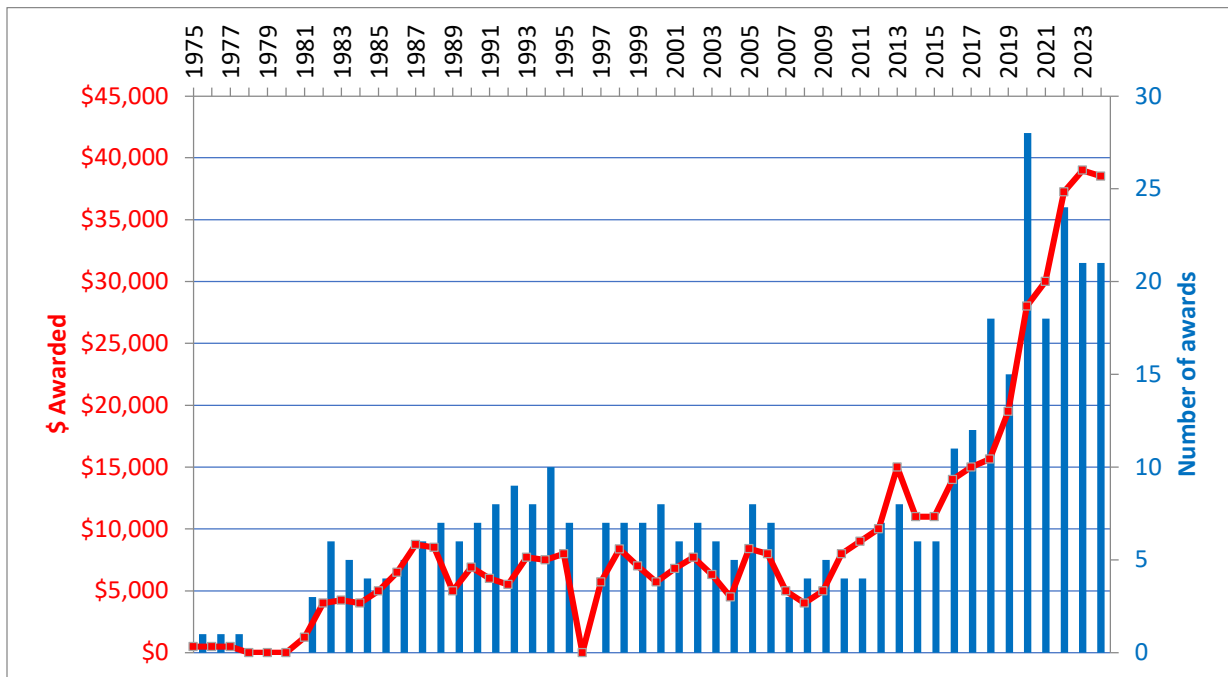

- Have a **solid academic record** (applicants will be asked to submit their academic transcript),
- Are **involved on campus and in their community** with the arts, sports, and/or community service,
- Understand the importance of **building leadership skills** while at university by submitting a personal statement with their application.

By establishing the UAS, the Foundation hopes to interest incoming university students to get involved in campus leadership development organizations – such as Phi Delta Theta.

In September of 2024 the Foundation granted four UAS awards to undergraduates at three Canadian universities totaling \$3,500.
